

P.O. Box 175
Shreveport, LA 71161

Dear SHB Development,

Your request to pour concrete outside of Carrollton city hours 6am-8pm is approved by Mustang Parks HOA.

Due to flooding of resident's yards and damage to their properties, this is necessary to prevent further damage. Once the concrete pours needed to protect the resident's home are complete, permission to work outside Carrollton City hours will be revoked. We realize this will be a nuisance for a couple weeks, but once complete no further damage will be done to homeowners lots.

The Developer, Lino Andreani will notify the community within 72 hours of completion.

Sincerely,

Dr. Ananth Reddy
President
Mustang Park Homeowners Association
